Impact Education Multi Academy Trust and Pennine Academies Yorkshire Announce Partnership Consultation

We are excited to share our educational partnership proposal as we seek to gain feedback from parents/carers, staff, governors, partners and the community. The engagement period will run from **24 September 2025 – 22 October 2025**. Following the engagement period, a report on the findings will be published and made available to all stakeholders via each Trust website.

What is being proposed?

Collectively, our Trust Boards believe the best way forward to further enhance our work is to bring Impact Education Multi Academy Trust and Pennine Academies Yorkshire together in a formal partnership. This would see Pennine Academies Yorkshire schools transfer into Impact Education Multi Academy Trust, with both Trusts working side by side to agree and deliver the priorities that will move us forward together.

Impact Education Multi Academy Trust and Pennine Academies Yorkshire share a strong commitment to inclusive, high-quality education - particularly for disadvantaged pupils and those with special educational needs.

The two Trusts have been exploring ways to leverage their strengths. By partnering under the Impact Education Multi Academy Trust brand, we aim to accelerate our influence and create even greater opportunities for our pupils, staff, and communities.

This partnership will create one of the largest non-faith Trusts in West Yorkshire, with 18 academies, 8,200 pupils, and over 1,200 staff. Together, we will benefit from:

- Improved outcomes and experience for our pupils
- Stronger expertise in SEND and school improvement
- Greater talent development through enhanced career and collaboration opportunities
- Improved resilience via shared resources and financial efficiencies
- Wider reach across Bradford, Calderdale and Kirklees

Rooted in shared values of inclusivity, collaboration, and excellence, this is a natural next step for both Trusts and an exciting one for all involved.
